The compensation granted by the Motor Accidents Claims Tribunal in the sum of Rs.14,42,416/- along with interest at the rate of 8% p.a., was enhanced by the High Court to the level of Rs.46,89,972/- along with interest at the rate of 6%. The judgment shows that the relevant factors were

We have gone through the grounds taken in the Review Petition and do not find any error apparent on record to justify interference.
